EDUCATION

B.Tech (Computer Engineering)	2024 - 2028	Delhi Technological University	8.40
CBSE (Class XII)	2022 - 2023	Govt. Sarvodaya Co-ed Vidyalaya , Jaffar pur	93 %
CBSE (Class X)	2020 - 2021	Govt. Sarvodaya Co-ed Vidyalaya , Jaffar pur	88.3 %

INTERNSHIPS

Programming Knowledge | Python Video Content Creator Intern January 2025 - July 2025

- Developed and delivered high-quality video tutorials on advanced backend development using **Python, Django**, and **Django REST Framework** for a YouTube audience of **1.83M+ subscribers**.
- Covered real-world backend concepts such as **API development, authentication, CRUD operations**, and **class-based views** using Django REST.
- Created tutorials guiding through **MongoDB installation**, setup, and integration with Django using third-party connectors.

ACADEMIC PROJECT

Resume Screening System – Python, spaCy, scikit-learn, pandas, PyMuPDF, tabulate | [GitHub](#) | [Website](#)

- Built a Python tool to parse and rank resumes by similarity to job descriptions using **spaCy, TF-IDF**, and **cosine similarity**.
- Displayed ranked results in a clean **tabular format** for recruiters to easily review.

Portfolio Website – HTML5, CSS3, JavaScript, AOS, GSAP, EmailJS | [GitHub](#) | [Website](#)

- Developed a fully **animated and responsive personal portfolio** featuring a **typewriter effect**, **glassmorphism**, and **gradient themes**.
- Integrated a functional **EmailJS-powered contact form** for direct reach-out and professional visibility.

SoftSell – React.js, Vite, Tailwind CSS, Framer Motion, react-helmet, Vercel | [GitHub](#) | [Website](#)

- Created a modern **single-page marketing site** for reselling unused software licenses.
- Integrated **light/dark mode**, animated scroll sections, and a **keyword-triggered chatbot** for user interaction.

ACADEMIC & EXTRA-CURRICULAR ACHIEVEMENTS

- Champion Milestone Achiever** | Google Cloud Arcade Facilitator Program 2024
- Dell Aspire Scholar** | Selected as a Dell Scholar for the 2024 cohort
- CodeInTheDark Finalist** | Finalist in live coding event organized by **IEEE GTBIT**
- Youth Parliament Awardee** | Secured **2nd position** in **Youth Parliament Competition** | honored by the **Parliament of India**
- Active **Hackathon Participant** | Vihaan 8.0 , Execute 4.0 , Hackamania'25

TECHNICAL SKILLS

C, C++, Python, MySQL, HTML5, CSS3, JavaScript, ReactJS, TailwindCSS	Django, Django REST, GSAP, AOS, EmailJS, Framer Motion	VS Code, Git , GitHub, Vercel , Firebase
